To the EngD Director  
School of Computer Science  
University of St Andrews

**Re: *EngD sponsorship for Mr N. U. Person, with Ms S. U. Pervisor as Industrial Supervisor***

This letter represents our intent to sponsor a Research Engineer on the *EngD Computer Science* programme at the University of St Andrews, and is subject to a contract and an intellectual property agreement.

I have pleasure in writing this letter in support of applicant:

Mr N. U. Person

for the *EngD Computer Science* programme at the School of Computer Science, University of St Andrews. Mr Person is a new recruit to our R&D lab, and comes to us with a background in Computer Science. Fluff Products Ltd intends to act as Industry Sponsor for Mr Person if he is admitted to the EngD programme.

I am also happy to recommend and give my support to Ms S. U. Pervisor to act in the role of Industrial Supervisor for Mr Person. As Ms Pervisor's line manager, I am confident that she can fulfil the "Responsibilities and Duties of an Industrial Supervisor" (as listed on your web-site), and has the support of the company in engaging with the EngD programme.

Mr Person and Ms Pervisor will be located at our lab facilities in St Andrews, Scotland.

Sincerely;

A. Manager
